

School Lease/Purchase Plans for Schools, Universities, and Music Boosters

Viable financial solutions for music programs

Dedicated to providing financial services to assist the needs of the music education industry, we offer financing for schools, universities, and music booster programs for the purchase of musical instruments from music dealers through our School Lease Purchase Plan.

School Lease/Purchase Plans keep the arts alive

Deep budget cuts are killing music programs all across the country. In an effort to keep the arts alive, our School Lease/Purchase Plan is designed to assist schools, universities, and booster programs with acquiring the instruments needed to create a successful music program while staying within budget. All public schools, parochial schools, universities, and music booster organizations qualify for our plan.

Why lease?

Whether you need new instruments or equipment for your marching band, symphonic or orchestral programs, our School Lease/Purchase Plan enables you to fulfill your needs right now and helps you avoid annual price increases later. Take advantage of our plan to create a successful music program and stay within your budget. Any brand of instrument may be combined with equipment such as cases, risers, music stands, and more.

Flexible terms

We offer two-, three-, four-, and even five-year plans that can help you stretch your budget dollars and keep your program alive. We require a \$3,000 minimum lease base amount, and the maximum five-year term may be used with this minimum amount. With our School Lease/Purchase Plan, the lease may be paid off early, and schools receive a rebate of unearned lease charges. Once the lease is paid in full, schools may purchase the instruments and equipment for \$1.00.

Easy approval process

Your local dealer or BGE representative can prepare a proposal for you. If acceptable, BGE will prepare and send a formal lease to your school for authorized signatures. Upon receipt of the signed lease documents, the dealer drop-ships or delivers the instruments or equipment to you. Once you receive your leased items, school officials sign the acceptance certificate and return it along with the first annual payment. Subsequent payments are due on the anniversary date of the lease.

Apply today

Affordable program financing has never been easier. If you would like to learn more about our School Lease/Purchase Plan, visit us online at bgefinancial.com, or call **800.281.9606**, and we'll put you in touch with a participating music dealer in your area.
